NARRATIVE FOR MAP NO. 8801

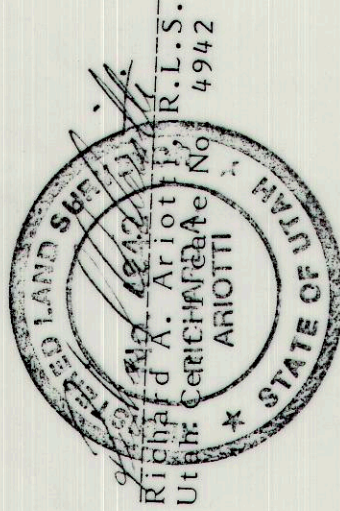

Prepared By: A & W Surveying  
317 South 2nd West  
Price, Utah 84501

Prepared For: Pete and Wilma Bottino  
John Steve and Diane S. Oberto

Date: April 22, 1988

Purpose: John Steve and Diane S. Oberto to acquire Parcel  
No. 1 and Parcel No. 2 from Pete and Wilma Bottino.

Procedure: The section corners and quarter corners for Section  
24, T. 13 S., R. 9 E., S.L.B.&M. were located in  
order to establish the center of said section.  
The location of the southwest corner of Block 5  
of Fitch's West Side Addition was established.  
An existing fence of cedar posts and barbed wire  
was found that confirmed the location of the south-  
west corner. I therefore held this fence line  
and the portion of the fence line found on the  
south side of Poplar Street. The right-of-way  
fence along State Highway 6 was also held.
