NARRATIVE

The Basis of Bearings is S 89°28'24" E between the Northwest corner and the North Quarter corner of Section 10, Township 15 South, Range 11 East, Salt Lake Base and Meridian. NAD 83 COORDINATES, STATE PLANE UTAH CENTRAL (US SURVEY FEET)

The purpose of this survey is to retrace and monument the boundary of the above described property according to the official records and the location of pertinent existing improvements located on the ground.

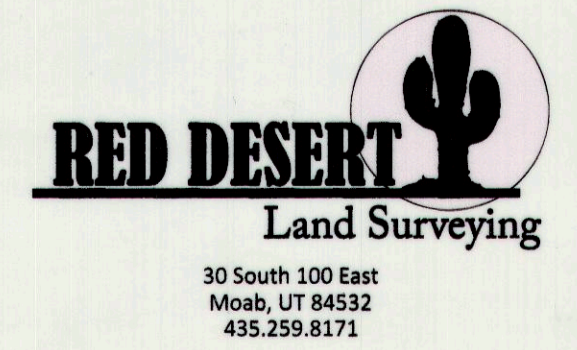

NOTES:

- I determined the Northwest tract corner (point of beginning) from the UDOT document recorded in Book 296, Page 17-19, Entry No. 26800, and the UDOT right-of-way monuments located with survey.
- The recorded deeds in the area are not efficient to accurately locate on the ground. I determined the correct location of ownership to be too "Historic" fence lines. The survey markers are placed from the survey of said fences. I held all fences except the most southerly fence as it does not closely match the deed and the adjoining owners deed calls along my clients ownership.
- Arena road was platted as a 24' right-of-way and I determined centerline location from surveyed existing asphalt road.
- Fence line agreements should be performed by surrounding parcel owners to fix recorded deeds.

LOCATED IN THE NE QUARTER OF SECTION 9, TOWNSHIP 15 SOUTH, RANGE 11 EAST, SALT LAKE BASE AND MERIDIAN
