

Carbon County Employee Flower Fund

Policy and Guidelines

Disclaimer: while it is the intent to treat all employees equally, if the Flower Fund Committee is not informed of an illness, death, birth, or adoption (as indicated below) within 10 days of the event, there may not be a donation made as outlined below. It is up to the supervisors and the employees working in the departments, to inform the Flower Fund Committee as soon as possible.

The purpose of the Carbon County Employee Flower Fund is to provide comfort, show concern, or to say congratulations for those special occasions such as retirement, marriage, birth, or adoption of a child, or when things are not going well as with an illness or the death of a loved one. It is comforting to know that our friends at Carbon County care about us. But, with so many departments and employees, it is hard to be consistent and fair to everyone.

For a small contribution-\$2 per month – we can let our fellow employees know that we are thinking about them and sending out best wishes to them during these monumental times of our lives.

To participate, complete the attached enrollment form and give it to Kellie Payne in HR. This allows your contribution to be deducted directly from your paycheck. Every year, a new enrollment form will need to be completed for continued participation.

Guidelines have been established pending the continued availability of the funds as follows:
