

NOTICE OF PUBLIC HEARING REQUIRED TO PURCHASE PUBLIC SAFETY INTEROPERABILITY EQUIPMENT

Carbon County will hold a public hearing required to apply for Community Impact Board (CIB) money to purchase public safety equipment. The purpose of the public hearing is to receive public comment for or against an emergency application to the CIB to purchase equipment and software from Motorola to upgrade our Public Safety Interoperability System. This system and equipment is critical for communicating with state agencies including dispatch.. All interested persons shall have an opportunity to be heard.

The hearing will be held **November 1 2021**, during a meeting of the Board of Commissioners scheduled for **4:30 p.m.** at the Carbon County Administration Building, Second Floor, located **751 East 100 North, Price, Utah.**
