

NATURAL HISTORY

BEST OF IT ALL

Don't have a lot of time? Here are some recommendations on what to prioritize:

1 DAY: ●

2 DAYS: ○

3+ DAYS:
DO THEM ALL!

In this part of the high desert discover layers of history in the jagged rock formations and canyons, track the traces of prehistoric worlds when dinosaurs roamed, and discover the minerals and resources that attracted new settlers to this arid landscape.

- 01 Nine Mile Canyon ●○
